

Fastpitch Masters COVID-19 Master Skills Camp Guidelines

All Fastpitch Masters Skills Camps will be operated with personal safety in mind. We are working with the facility and county/city officials to make sure that our Master Skills Camps follow all government guidelines set as of the date of the camp to allow everyone that attends an opportunity to enjoy the camp while in a safe environment.

Fastpitch Masters believes that there will be a time soon when all restrictions will be relaxed back to previous levels. Until that time arrives, we ask that everyone follow the below guidelines while visiting the facility.

Please note, that in addition to the below guidelines, all parents/guardians of under-aged participants are required to sign a Hold Harmless Agreement for the camp.

Fastpitch Masters uses several different venues to host our Master Skills Camps so all the guidelines may be slightly different depending on the specific facility you are at. Bear in mind that Fastpitch Masters may be tied to do anything that the facility sets as guidelines as of the day of the camp. Please be flexible and understanding as we work hard to provide a safe and enjoyable experience for the athletes!

Parents

1. Parents can sit and watch camp, provided they can find space that allows sufficient social distancing. We ask that you limit to only 1 parent per athlete with no siblings, when possible. Some facilities have maximum allowances. Some areas of the county are requiring masks be worn by all spectators. We will be bound to whatever the facility guidelines are as of the date of the camp.
2. Who should not visit the camp?
 - a. Anyone classified as “high risk” due to underlying health problems.
 - b. If you show signs of any illness, please stay home.
 - c. If you answer yes to any of the following questions:
 - i. Have you had contact with anyone in the past 14 days that has been diagnosed with COVID-19?
 - ii. Have you had a fever, cough, or shortness of breath in the past 14 days?
 - iii. Have you or anyone in your immediate household been in contact with someone that has visited a restricted travel location listed by the CDC in the past 14 days?

Participants

1. Each athlete must provide their own equipment for the camp. This may include glove, softball, bat, batting helmet, catcher’s equipment, etc. **There will be no sharing of equipment at camp!** Public beverages may not be available at camp. Please bring your own water jugs!
2. PPE – Anyone wishing to use personal protective equipment (PPE) while at the camp will be allowed to do so provided it does not compromise the safety of the player or other participants. PPE may include masks, glasses, and gloves.
3. Sanitary needs – Athletes will need to have their own sets of hand sanitizer and anti-bacterial wipes to disinfect any playing equipment.
4. There will be no handshakes, high fives, or other physical touching, wherever possible.

Fastpitch Masters COVID-19 Cancellation & Reschedule Policy

General Information

- Fastpitch Masters does not cancel its Master Skills Camps. However, considering the current situation the Nation finds itself in due to the COVID-19 pandemic, Fastpitch Masters recognizes that unusual circumstances may

arise. Fastpitch Masters is committed to running all camps as scheduled. However, if a Master Skills Camp is rescheduled due to a last minute COVID-19 shutdown, you agree that Fastpitch Masters has the right to reschedule and/or change the venue (within the same general area) of said camp to a later date in the same camp season or in the following camp season (summer season runs from June 1 – August 31 and winter season runs November 1 – February 15). If you cannot attend the new date of the camp, please follow the directions below regarding a team or individual sign-up.

Team Entries

- There are no refunds or credits toward future camps for individual team athletes unable to attend. If for some reason an athlete is unable to attend, you may replace an athlete with another athlete. Anyone contacting us will be referred to the representative of the team that signed up. If a complete team is forced to remove themselves from a camp due to COVID-19, we will issue to the team representative that signed up the team a coupon code, good for 18 months from date of issue, worth 100% of the paid value of the team's entry. Due to economic conditions, Fastpitch Masters reserves the right to change the price of their entry fees. If you have received a coupon code in the past that does not cover the full price of the new entry fees, you will be responsible for any remaining balance due at the time of the new entry.

Individual Entries

- Athletes not wishing to attend a camp due to COVID-19 **must notify Fastpitch Masters in writing** before the date of the camp. If this notice is received, the athlete may request a coupon code, good for 18 months and worth 100% of paid value of their entry fee. Due to economic conditions, Fastpitch Masters reserves the right to change the price of their entry fees. If you have received a coupon code in the past that does not cover the full price of the new entry fees, you will be responsible for any remaining balance due at the time of the new entry.
